EDUCATION

Ph.D. in Business, University of Houston, Houston, Texas.
Major area of concentration - Organizational Behavior and Management
Minor area - Management Information Systems.

Master of Business Administration, University of North Carolina, Chapel Hill, North Carolina.

Bachelor of Science and Arts, Florida State University, Tallahassee, Florida.
Majors: Mathematics and German

WORK EXPERIENCE

Research Professor, Northern Arizona University, Flagstaff, Arizona, August 2015 to December 2017. Served as research mentor to non-tenure track faculty. Designed, implemented and conducted publishing workshop, Get Published!, for non-tenure track faculty in July 2017 (See http://franke.nau.edu/news/saunders_get_published_workshop_accomplishes_its_mission)

Professor Emerita, August 2015 to present; Professor of Management, August 2010 to August 2015; Professor of Management Information Systems, August 2001 to August, 2010, University of Central Florida, Orlando, Florida.

W.P. Wood Professor of MIS, University of Oklahoma, Norman Oklahoma, June 1998 to June 2001. Associate Director – Research, Center for MIS Studies, University of Oklahoma.

Professor and Chair of Management, Southern Illinois University, Carbondale, Illinois, Jan 1997 to June, 1998. Duties included implementing a major undergraduate curriculum change, working with doctoral students, and recruiting.

Professor of Computer Information Systems, Florida Atlantic University, Boca Raton, Florida, May 1992 to Dec 1996. Chair of Department of Decision and Information Systems, May 1992 to August, 1993. Duties included implementing a major undergraduate curriculum change, establishing a doctoral program, and recruiting. Chair and Associate Professor. Florida Atlantic University. August 1990 to May 1992.

Taught MBA MIS course and management of information systems, undergraduate information systems analysis and design.

Associate Professor, Management Information Systems, Texas Christian University, Fort Worth, Texas. June 1987 to May 1990. Taught MBA and undergraduate MIS courses, organization theory; Coordinated MIS area; Served as Acting Department Chair from June 1987 to June 1988. Duties included recruiting and implementing a major curriculum change.

Assistant Professor, Management Information Systems, Texas Christian University, Fort Worth, Texas. August 1984 to May 1987. Coordinated MIS area; Taught MBA and undergraduate MIS courses, MBA information analysis, and undergraduate introduction to data processing course.

Assistant Professor, Management, Stephen F. Austin State University, Nacogdoches, Texas. August 1981 to May 1984. Taught undergraduate courses in quantitative methods, organization management, and MIS. Taught graduate courses in organization behavior and personnel.

Assistant Professor, Management and Data Processing, Northern Arizona University, Flagstaff, Arizona. September 1979 to May 1981. Taught organization theory and systems analysis and design I and II.

Instructor, Computer Science, Texas Southern University, Houston, Texas. September 1974 to September 1978. From January 1975 to September, 1977, served as Acting Chair of the Computer Science Department; Prepared departmental budgets and class schedules, executed necessary administrative tasks, and handled the hiring and supervision of student assistants and the departmental secretary; Taught courses in systems analysis and design, introduction to computing, FORTRAN, assembly language, and planning, budgeting and evaluation; Served on committee which planned the design and implementation of a Management Information System to be used by all departments and administrative offices of the University; Involved in the evaluation and selection of a computer system for TSU; Served as a consultant in the development of an admissions policy for the TSU School of Pharmacy.

EXECUTIVE DOCTORAL EDUCATION EXPERIENCE

Part-time Instructor, Georgia State University, Atlanta, Georgia, August 2019 – present.
Teaching Quantitative Research Methods II course in Executive Doctorate of Business Program.

Adjunct Faculty, University of South Florida, Tampa, Florida, October 2016 to December 2018. Taught Qualitative Research course in Executive Doctorate in Business Administration Program; Served on eight doctoral dissertation committees.

INDUSTRY EXPERIENCE

Senior Systems Analyst, EXXON Company, U.S.A., Houston, Texas, June 1972 to August 1974. Designed and implemented a financial analysis model for Friendswood Land Development Company; Designed the computer-based accounting system for EXXON Exploration and Research Company; Served as consultant for the capital budgeting model used throughout EXXON Company, U.S.A.; Developed simulation model in GPSS of EXXON docking facilities which was used to study alternatives for the reduction of demurrage charges.

Junior Programmer Analyst, International Business Machines Corporation, Houston, Texas, February 1979 to August 1970. Wrote programs to process telemetry data received from Apollo flights.

FULBRIGHT AWARDS

Distinguished Fulbright Award, Wirtschafts Universität - Wien, March – June 2009

Professional Fulbright Award, Malaysia, Summer 1993.

GUEST RESEARCHER AND VISITING CHAIRS

Erskine Fellow, University of Canterbury, Christchurch, New Zealand, July-August 2007.

Shaw Foundation Professor, Nanyang Technological University, Singapore, July 2005.

Beta Chair, Technische Universiteit Eindhoven, the Netherlands, September – November, 2004.

Guest researcher – Friedrich Alexander Universitaet Erlangen-Nuernberg, April – June, 2012; Korea University, February 2006; National University of Singapore, July 2002; City University of Hong Kong, May 2001.

Guest lecturer – University of Victoria, Wellington NZ, March 2016; Escuela Superior de Gestion Comercial Y Marketing (ESIC) in Madrid, Spain, July 1996; Semester-at-sea, Spring 2010, 2005; University of Pretoria, Pretoria, South Africa, February 2007.

Assisted in evaluation of Institute of Business' Postgraduate Diploma in Management Information Systems in Trinidad, West Indies in a project funded by the U.S. State Department Office of International Information Programs, 2000.

HONORS

LEO Fellow, inducted 2010. (Top Association of Information Systems [AIS] award for lifetime contributions to the Information Systems discipline)

Lifetime Achievement Award, Academy of Management – Organizational Communication and Information Systems Division. 2013.

AIS Fellow, inducted 2004.

Best Associate Editor, Organization Communication and Information Systems Division, Academy of Management, 2018.

Extraordinary Service - Editorial Board, *Organization Science*, 2018.

Runner-up, Best Theory Paper of Conference (ICIS 2016); Best paper in the IS Development and Project Management Track: Ulrich Remus, Martin Wiener, Carol Saunders, Magnus Maehring and Maximilian Kofler, “Control Modes Versus Control Styles: Investigating ISD Project Control Effects at the Individual Level.”

Second Place Winner of the 2015 SIM Best Paper Competition for paper entitled, “Embracing Vendor Overlaps in IT Multi-Sourcing: The Case of Adidas Global IT.”

Excellence in Cross-Disciplinary Collaboration and Communication, College of Business Administration, UCF, 2014.

Research Incentive Award, College of Business Administration, UCF, 2005-2006, 2011.

College of Business Administration Award for Excellence in Distinguished Research, UCF, 2004 and 2010.

College of Business Administration Excellence Award: Top 10 Researcher in First 50 Years.

Galloway Award for Research in MIS Department and College of Business Administration, UCF, 2003.

Best Paper, *MIS Quarterly*, 2002: Jasperson, J., Carte, T., Saunders, C.S., Butler, B.S., Croes, H.J.P, Zheng, W.J. "Power and Information Technology Research: A Meta-triangulation Review, *MIS Quarterly*, 2002, Vol. 26, No. 4.

National Urban League Fellow.

Phi Kappa Phi.

GRANTS

Schoeller Senior Fellow 2012, Dr. Theo and Friedl Schoeller Research Center for Business and Society, Friedrich-Alexander-Universität Erlangen-Nürnberg, Emotional Cognitive Overload with Information Technology, 50,000 €, 2012.

University of Oklahoma Interdisciplinary Research Incentive Grant, "The Impact of Multitmedia-rich Websites on Advertising," with Steven Anderson, \$29,206, 2000.

Assisted in winning Sensormatic/Speedware grant for hardware and software for the FAU Department of Decision & Information Systems, \$130,000, 1995.

TCU Tandy Center for American Enterprise Summer Research Grant, 1989, "Interorganizational Power and the Intent to Adopt Electronic Data Interchange (EDI)". (Also, Chaparral Steel underwrote questionnaire printing, distribution and postage)

Society for Information Management (SIM) Research Grant, 1987, "Measuring the Effectiveness of the Information System Function", \$5200. (Also, summer research funding from TCU Neeley School of Business)

TCU Research Grant, 1986, "Teaching with Computer Conferencing", \$2576; University of Colorado at Denver, \$1005. (Also, summer research funding from TCU)

NAU Summer Research Grant, 1981, "Impact of Stages of EDP Growth on Interdepartmental Communications".

TSU Research Grant, 1977-1978, "Impact of Management Information Systems on Intraorganizational Distributions of Power".
