**Kenneth G. Dixon
School of Accounting**

UNIVERSITY OF CENTRAL FLORIDA

May 9 – May 11, 2018

UCF College of Business

Welcome to the University of Central Florida.

We hope your visit to our campus will bring back memories of your own college experience. Some things may have changed since you last visited us, some things have not. We would like to remind you that UCF is a smoke free campus. Please note the seats in our Class rooms may be the actual seats you used when you were a student and may not be as comfortable as that to which you are accustomed. UCF makes every attempt to control the temperature within the College of Business Administration, however conference attendees may want to dress in layers and/or bring a sweater in case there are temperature fluctuations. Please remember that UCF is the second largest University in the United States and as such, internal traffic can experience temporary delays.
