**Please follow the guidelines below:**

- a. Use your phone or digital camera to record your video using the **horizontal, sideways mode**.
- You can have a friend or family member record the video, have a tripod set up, or simply place the phone on an object where you are the subject
  - We want this video to be conversational, genuine and relaxed. Don't worry if you stumble upon a few words
- b. No **professional** or **edited produced videos** are needed, but here are some simple tips to improve the quality of your video:
- Choose a quiet location with good lighting
  - Keep your background simple
  - Practice what you're going to say a few times and look your best. Remember, this will be viewed by the selection committee of Ambassadors and staff advisor
  - We will be paying attention to the content of what you say, not the production of the video
  - Language should be appropriate and not offensive in any way
  - **Business casual clothing** is recommended for the video
  - Your video should be short and sweet, **no more than 1 minute** in length
