MBA TRACK OPTIONS

OVERVIEW

EXECUTIVE MBA

The EMBA is an accredited MBA program for mid- to senior-level professionals offering a leadership-relevant curriculum comprised of core analytical courses which build a solid foundation for advanced functional business topics and capstone courses focusing on boardroom leadership development and executive strategy.

PART -TIME PROFESSIONAL MBA

The Part-Time MBA is designed for emerging professionals who wish to continue their career path while pursuing an MBA. This MBA's cohort format and applicable curriculum allows for a diverse group of professionals from a variety of academic and industry backgrounds to enhance their capabilities and business skills while expanding their professional network.

FULL-TIME PROFESSIONAL MBA

The Full-Time PMBA is intended for emerging professionals and graduate-level students who wish to pursue an accredited MBA at a fast pace. With limited enrollment and its consultancy-style approach to learning, the Full-Time PMBA provides students the ability to effectively analyze and solve business problems.

EVENING MBA

The Evening MBA provides a combination of flexibility and rigour for students who wish to pursue an accredited MBA at their own pace. Students have the opportunity to choose their three required electives. Located on UCF's main campus, Evening MBA students benefit from the close proximity to the many amenities and services

UCF MBA

DUAL DEGREE

DEVOS MSBM/MBA

Named the #8 sport program in the world by *SportsBusiness International*, the DeVos MSBM/MBA is a full-time, dual program with a cohort format offered by the College of Business. The dual degree includes a Master of Sport Business Management and an MBA, and is offered each Fall term. Students in the program gain hands-on experience in the business of sport management, sport leadership, and the relationship between sport and social issues. Graduates of the DeVos MSBM/MBA pursue careers in intercollegiate and professional sport, event and facilities management, corporate and international sport and marketing.

JOINT PROGRAM

PROFESSIONAL MD/MBA

The UCF Professional MD/MBA is a joint program with the UCF College of Business Administration. The MD/MBA is an AACSB-accredited program designed to accommodate UCF medical students who wish to pursue an MBA concurrently while pursuing their medical degree. The program offers students who aspire to combine medicine and management skills in order to expand their career possibilities in the healthcare industry including positions in hospital administration, health and public policy, medical research and private practice.
